<sup>1</sup> By Order docketed in this matter on March 28, 2019, this Court stayed the underlying action pending consolidation of this matter with *In re Cigna-American Specialty Health Administrative Fee Litigation*, Civ. A. No. 16-3967 (the “Related Action”), which consolidation would occur automatically without further court order following a ruling on the preliminary approval of class action settlement motion in the Related Action. [ECF 51]. On April 8, 2019, this Court granted preliminary approval of the class action settlement in the Related Action, thereby, effectuating the consolidation of these matters. On August 29, 2019, this Court granted final approval of the parties’ settlement agreement, which resolved all claims in the consolidated matters.
